Interior Era

Enhance your way

About us : Interior Era is a comprehensive design studio synonymous with the creation of beautifully crafted interiors. Interior Era was set up by Khan and Charles to deal solely with the eclectic and refined tastes of private clients. The company's objective is to provide an individual and personalised service that ensures an uncompromisingly high standard of design is achieved. Khan, Charles and his team of interior designers and decorators will accompany you through every step of your project from planning and implementation to installation of all the

final finishing touches. In conjunction with architects and the specific trades, Interior Era will oversee every element of your project in order to deliver a smooth, stress free experience. This will allow us to work closely

together to guarantee that your project is unique and reflects your personal style and requirements. We use to create designs for comfortable and stylish living. Whether redesigning an entire house, or just a few rooms/commercial space, Interior Era offers expert knowledge and advice on how to utilise bespoke furniture, joinery and luxury finishes to enable you to realise the potential of your home/office. Our approachable and experienced in house/office team offers a wide range of services from interior design, build and project management, to helping our clients source one-off pieces to make their properties unique. We place our client's needs at the heart of the design process, working closely to given briefs, budgetary and style requirements. If you are thinking of doing some work to your home or commercial space, whether it is get in contact with us to discuss how we can help.

Interior Era

Enhance your way

Executive Summary : Our talented designers bring their experience to the table, couch, coffee table or whichever furniture piece we're sitting near. From discovering your personal style to knocking down that wall that's been preventing the open-concept living area you've been lusting after, we'll make sure that your space isn't just aesthetically pleasing, but also a reflection of you.

We offer the following services :

Approach & Process

First Meeting :

- ❖ Consultation and management questionnaire.
- ❖ Clearly identify client's needs and objectives including measurements.
- ❖ Organizational structures and cross functional relationships.

Initial Phase :

- ❖ Assemble existing plans of residential/commercial/office spaces and draw up existing and the required plans. Quotation/Estimation is prepared.
- ❖ Effective solutions are discussed at this time and Space analysis is done.
- ❖ Final Quotation for the implementation of the project is finalized.

Design Proposal :

- ❖ Space planning residential/commercial/office spaces as per the initial questionnaire and space analysis.
- ❖ Furniture suggestions to work within your environment.
- ❖ Lighting solutions to work with your design, enhancing the final layout.
- ❖ Line drawings/3D renderings and designs to give you an idea of the look and feel of the new flat/commercial space/offices.

Planning Phase :

- ❖ Electrical and data layouts.
- ❖ Supply & Transportation planning is done.

Construction :

- ❖ Each phase of the construction is monitored ensuring that the client is kept informed and up to date at all times.

Handover :

- ❖ Complete site to client on or before dead line.

Thank you for considering Interior Era for your interior design & decoration needs. We look forward to working with you and creating a stunning home/office/commercial space that you will love for years to come . . . !
